1. One week, one week, so much can be done in one week—one day, one moment even, but one week schools amount to much, significancing My people with confidence after foundationing themselves with Me, in Me.

2. Oh Ted, so many schools, so many paradigms of power that demonstrate Me and connect others in relationships of synergy, powered by Me, fueled by Me, fueled by Love—love personified in, and demonstrated to each other.

3. Creativity unleashed in My schools—who networks begin—to unleash My schools which unleash Me—and rise to popularity in positions of power and prowess heretofore unseen.

4. Oh of Me this writing is—the words are—and not of My son My servant, My lone-ranger not—but sinewing My body together he is, for Me, for Me, for you.

5. Creativity unleashed in communion with Me, communion with each other, and communion of My Word and words unleashed—untethered any longer—free—revealed in fullness—to those whose motive is love, deep motives of love, not surface motives, but deep motives.

6. Bring them in and let them come and arise to arise them, and tears assemble to free them in Freedom of Me so creativity can unleashed be. Ride with Freedom, ride with Creativity, network My networks with purity of purity that comes from consecration and concentration of focus on Me.

7. Weeks combine and synergy mounts—all of Me—time slices, focused on Me, revealing Me, setting free and reversing the control of man over man – between man and Me, existing for years, centuries, and more.

8. Oh Ted, revelation, reveling, laughter and joy in My weekworks of networks of weeks revealing Me. Oh run, oh fly, set dates and announce and run, fly, gallop on steeds made especially for you, and those who will come ride with you, into horizons of freedom and creativity where freedom and creativity smash constricting philosophies so demeaning.

9. Cataclysmic change—but protection for you and my freedom-izers.

10. Many come—and line up to be a part of what I am doing and doing now in My body. **Charge—as there is always a cost**. Present, and tie together, in such remarkable freedom, designing, designing, creating together.

11. **A thousand per week, for now—charge, receive, give, train, set free, and move into motion**—catapulting into orbit My Mine who are ready to fly in My big world.

12. Arrangements, agreements, alliances come.

13. Giants come to participate—to free and be freed—understanding the progressive revelation of foundationing My significant ones who are confidenced and ready.

14. There's always a cost—you paid it, and you're still paying it. I paid it. And Ted, all suffer, all exchange, all must grow.

15. Create in My sessions I now create and call My ready to—to come with Me and you and create and design and fabricate woven tapestries that have My body in portraits perfectly reflecting Me.

16. Create, design, bring forth My unleashed, untethered power to create and design in My freed men, My freed women, My freed teens, and even My freed youngsters.

17. Arise, fly, set free.

18. Encourage Dot Ward and bless her—mightily used of Me.

19. Re-orienting you are My knowledge base of My Mine.
Re-establishing foundations and walls long torn and destroyed.
Arise, enjoy, flourish.

20. Enjoy your meetings this week. Some are ready.
Few come, but fruit remains, and remnants grow.

21. Arise, enjoy, and eat of My fruit while you produce much fruit in My instructions.

22. Glorious, glorious are My creators who create in Me.

23. I thank you.
I appreciate you.
I bless you.

Arise.
